

Equipment Insurance Plan

Under the Equipment Insurance Plan, the Equipment owned by the League or Association is protected against loss, including fire and theft. Coverage applies up to the full replacement cost value of each piece of Equipment (subject to the policy limits).

Limit: Replacement cost value of your equipment

Deductible: \$250 per claim, Rate .0158
\$500 per claim, Rate .0150

Minimum Premium: \$100.00

To calculate the premium for the \$250 deductible, multiply the value of the equipment by .0158 (Subject to a minimum premium of \$100). Or call RPS Bollinger for a quote.

Examples:

1. \$5,000 policy limit X .0158 = \$ 79.00 (Cost of policy - subject to \$100.00 minimum premium)
2. \$25,000 policy limit X .0158 = \$395.00

A completed inventory list (including each item type and its replacement cost value) must accompany this application in order for coverage to be bound. Please provide a detailed description (name, make, style or model, serial #, if applicable) of all individual items over \$2,500 in value.

No coverage applies to items of equipment that are loaned or given out to players, volunteers, coaches or others.

Standard exclusions on this policy include: unexplained disappearance, wear and tear, inventory shortage, loss of money or securities, flood. All Equipment must be insured to its full replacement cost value.
