AN RPS SIGNATURE PROGRAM

2021 Sports Officials Insurance Plan for USA Softball Umpires

Exclusive Coverage for USA Softball Registered Umpires

As a registered USA Softball umpire, you receive many benefits of membership, including liability and accident insurance to cover you when you are performing your duties as a USA Softball umpire. Many USA Softball umpires also officiate other sports, where insurance may not be provided or may be very expensive. As a benefit of USA Softball membership, USA Softball umpire associations can purchase liability and accident insurance at a very reasonable cost to protect their umpires when officiating other sports.

USA Softball has arranged through RPS and Markel Insurance Company to offer this insurance package exclusively to USA Softball umpires for just \$25 per umpire. This offer is only available to currently registered USA Softball umpires and must be purchased through your state, metro or local USA Softball umpire association.

This plan is underwritten by Markel Insurance Company, rated "A" by A.M. Best.

Any questions regarding this program should be directed to USA Softball's insurance administrator.
